*Contributions:* Manuscripts should be typewritten, double spaced, and the original copy should be submitted. Every effort will be made to return unused manuscripts, if request is made, but no responsibility can be accepted for failure to do so. Anonymous communications will receive no consideration whatever.

Manuscripts and news items of interest to the membership of the society are solicited.

Forms close on the first and fifteenth of each month. The early submission of material will insure more consideration for publication.

Published semi-monthly by the Chicago Dental Society. Publishing, Editorial and Advertising Office: 30 North Michigan Avenue, Chicago 2, RAndolph 6-4076. Annual subscription \$2.50; single copies 15 cents; circulation 5,400 copies.

# CONSTANT RESEARCH by NOBILIUM

*More partials  
are processed  
today with  
NOBILIUM  
than any  
other alloy  
known to  
dentistry*

Constant research by Nobilium in materials, equipment and methods of processing restorations *keeps Nobilium out in front!* A continuing program of research and development makes it possible for your preferred dental laboratory to provide better Nobilium partials for your patients—better today than yesterday, better tomorrow than today. Through these efforts you can expect Nobilium cases that are more accurate than ever before, more functionally perfect in masticating foods, more comfortable at all times, more natural in mouth-feeling and esthetics, more serviceable over longer periods of time. For the most satisfying partials made today entrust your processing to your preferred laboratory and specify "Nobilium."

*Prescribe Nobilium  
to your favorite  
laboratory*

## **Your Board of Directors**

**T**he structure, function and sub-committee duties of the Board of Directors of the Chicago Dental Society were the subjects of a talk at the recent Branch Officers and Correspondents Conference and since they are the very backbone of the Society's administration we have outlined them here as items of interest to our entire membership.

The Board of Directors runs the Society. It is stated in Section 1 of Article XV of the By-laws that "The board of directors shall be the governing body of this Society" and the Board is just exactly that. It further states that the Board shall, for the Society, "manage its affairs, conduct its business, control the disbursement of its funds and provide its corporate seal." This last function is quite simple and easy. None of the others can, save in the darkest moments of exasperated sarcasm, be so designated. They are complicated duties the performance of which demands involved study, painfully gathered experience in administrative techniques and affairs, the sacrifice of time from the practice of dentistry in the daytime and from home for many night meetings and the ever-present grind of responsibility.

Section 1 continues, inexorably, listing that the Board must select a bonding company and see that the employees and officers are duly bonded and that it must select a certified public accountant to audit annually the books and records

of the Society. This latter is a primary duty of the Finance Committee of the Board but is a job that every member takes part in as the recommendations of the Finance Committee come before the entire Board for review and action. We have employed one of the finest LaSalle Street firms of auditors for several years now and have installed a modern and up-to-date accounting system to record the Society's financial affairs. The annual audit takes about two weeks to complete and is made during the first part of June each year as the Society's financial year closes May 31st. Upon the completion of the audit the Finance Committee meets with the officers and a detailed review of the audit figures is made. Sometimes a second meeting is necessary due to the mass of detail involved. Upon completion of the review of the past year's operations the Finance Committee formulates a budget to guide the operation of the Society for the ensuing year. Experience and foresight are prime requisites in this undertaking and it is a tribute to the Finance Committee that it achieves a high degree of fidelity to the budget consistently year after year. Throughout the year the Finance Committee reviews all expenditures and examines all of the vouchers for moneys expended and scrutinizes all bills, recommending their payment or non-payment to the Board. All checks drawn by the Society must be signed by the Treasurer and counter-

signed by either the President or the Secretary.

This year the Finance Committee chairman is Ernest Goldhorn and the members of the committee are Wayne Fisher, Clarence Hanson, Earl Elman and the Treasurer, Harold Hayes. The books, records, audits, vouchers, paid bills and all other related items are open to scrutiny by any member of the Society.

The Board is further responsible for designating the "depository or depositories for the funds of this Society." We have maintained an account with the Continental Illinois National Bank, and before that with one of the banks that merged with others to form the Continental, for thirty-five years and our officers were recently the guests of the officers of the Continental to signalize this milestone.

The Board also "determines and controls the investment of the Society's money and securities." Past and present Boards, primarily cognizant of the responsibility to our members to conserve the funds of the Society intact, have seen to it that such funds have been invested only in the highest type of security.

Another function of the Board is to determine the number and territorial boundaries of the several branch societies and the downtown district, subject to the approval of the membership. The written description of the boundaries is detailed and definite and is set forth graphically on a large scale wall map in the central office.

Another function of the Board is to pass on all disputes between branch societies (fortunately no civil wars have flared up of note) and another is to appoint the various committees of the Society. This latter function is carried out with meticulous attention to achieving proper representation for each branch on the Committees of the Society. Each spring a census of each branch is taken and the number of committeemen from each branch is in direct proportion to the part of the entire membership that that particular branch's membership constitutes. On the majority of our committees

one-third of the members change each year and enough latitude exists to effect the proper shifting of representation. Our membership has been gradually increasing year by year.

The Board also passes upon all applications for membership, resignations of officers and members, acts upon ethical problems submitted by the Committee on Ethics, interprets the Code of Ethics, and suspends or expels any member found guilty of violation of the Code of Ethics.

The Board meets regularly every month with the exception of July and August but special meetings may be called in those months or at any time the necessity arises. Last year several special meetings were necessary and to date this year (since the first of June, that is) one special meeting has been held.

Other Board committees are, first, the Miscellaneous Business Committee. This Committee bears the brunt of screening new ideas, suggestions for change, analyzing business proposals and other departures from routine business. For example, when the recently adopted Dental Budget Plan first became a definite object of serious conjecture by the Board, the Miscellaneous Business Committee was delegated to carry on a study of the proposals of the Dental Budget Plan Commission and report upon them to the Board. Olan B. Kibler is Chairman of the Miscellaneous Business Committee and its members are Earl Elman and Neil Kingston.

The Prosthetic Service Committee is essentially a Board Committee although its Chairman and one other member are not active Board members. With five members, however, the majority of the Committee are active Directors. This committee is one of the busiest and most important committees handling any of the exterior relationships of the Society as it deals with representatives of the ethical dental laboratories. These allies of ours in the fight against the advertising laboratories consistently cooperate wholeheartedly with us and the liaison groups probably meet oftener and take

# EDITORIAL

---

## EDITORIAL POLICY

With the advent of a new editor and at the beginning of his term of service, it is fitting that he express his hopes and aspirations for the FORTNIGHTLY REVIEW and that he restate the editorial policies of the REVIEW.

First, Editorial Policies:

The purpose for the FORTNIGHTLY REVIEW is to disseminate information of a scientific and educational nature, to carry announcements of Society activities and reports, to carry news of the branches, other pertinent information that might be of value to the membership, and such advertising material which is directly related to dentistry and conforms to the standards set forth by the American Dental Association.

It is the established policy that the pages of the FORTNIGHTLY REVIEW not be used for internal political purposes and this applies to branch news as well. It is also established that the branch news is not for editorial purpose.

All material submitted must be in good taste with particular care being taken to reflect in no way upon any person or group. We will, above all, be factual.

As to the aspirations of the editor for the FORTNIGHTLY REVIEW, I shall just mention three: First, that he will do his best to maintain the high standard to which the FORTNIGHTLY has risen through the able leadership of his predecessors; second, that there be nothing in his personal conduct or his writings which will reflect on this great Society of ours; and third, that he will from time to time make such small changes which will improve the usefulness of the REVIEW to the membership.

With the able assistance of Editorial Assistant, Miss Marion Harvey, and Business Manager Karl Richardson, Miss Amy Nelson and Mrs. LaVerne Decker of the Central office staff, Orville Larsen, abstract-editor, our able and hard-working branch correspondents, and most importantly, you, our readers, we, the FORTNIGHTLY team, shall do our best to keep the FORTNIGHTLY REVIEW of the Chicago Dental Society in the forefront among dental periodicals. There is still one other member of this FORTNIGHTLY team about which we hear very little, our printer. It is to Mr. J. Walker Black and the General Printing Company that we are indebted for the excellent job of printing and the very fine spirit of cooperation which we enjoy.

As to the part the new Editor will play, it shall be his sincere purpose to continue these fine relations and to do his best to fit into the team. Some time ago I came across a "Creed" by Dean Alfange, which expresses better than I can the things I believe in and stand for.

"My Creed" by Dean Alfange

I do not choose to be a common man, it is my right to be uncommon if I can. I seek opportunity, not security. I do not wish to be a kept citizen, humbled and dulled by having the State look after me. I want to take the calculated risks: to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence: the thrill of fulfillment to the stale calm of Utopia. I will not trade freedom for beneficence nor dignity for a hand out. It is my heritage to think and act for myself; enjoy the benefit of my creations; and to face the world boldly and say, this I have done. All this is what it means to be an American and a member of the dental profession.

# NEWS AND ANNOUNCEMENTS

---

## **FLUORIDATION PROGRAM GETS GREEN LIGHT**

Mayor Daley has reordered the city water supply fluoridated after such action was delayed until it was determined whether or not it should be made a subject for public referendum as recommended to the State legislature by the city council. A bill for such a referendum was prepared and passed by the House and Senate but was vetoed by Governor Stratton with the comment that health measures should come from health professions and health agencies. We are grateful to Governor Stratton for his action and to Mayor Daley for setting the program into motion and thereby assuring the people of Chicago a greater chance for good teeth in the battle against man's most prevalent disease, dental caries.

## **ANNOUNCEMENT FROM MICHAEL REESE HOSPITAL**

The Michael Reese Hospital Dental Department will start its 1955-1956 series of courses in September with a one day course on Periodontia by members of the hospital staff and the faculty of the University of Illinois. The series will be given by members of the staff and outside guest lecturers and cover the various specialties of dentistry as they relate to office practice and office procedures. All courses are free to staff members, but there will be provision whereby practicing dentists may enroll. Details will be announced later.

The dental department of the hospital is a consultation and service department that works in conjunction with the medical departments in treating both in-patients and out-patients. Routine dental care is provided for all service in-patients as well as all patients seen in the out-

patient clinic. The various specialty services are provided by the periodontia, pedodontia and orthodontia staffs. There is close cooperation with the maxillo-facial department of the hospital.

The care of children is of major importance and much importance is given to the children of Sarah Morris Hospital, the Psychosomatic and Psychiatric Institute and the handicapped children of the hospital's Cerebral Palsy Program. Hospitalization is available for those children requiring dental care under general anesthesia.

Care is given to all in-patients unable to leave the bed by means of a mobile unit which unfolds into a bedside office with everything to provide full dental care.

Due to recent expansion of departmental activities, applications for a few more staff appointments will be considered in the near future. If interested apply to Dr. M. Levine, Medical Director.

## **MORE ON H. B. 1118**

As is the case in attempting to express appreciation for work well done someone is overlooked and in this case it was more than one. In our expression of appreciation we overlooked the Illinois Dental Laboratory Association and its members who rendered yeoman service, also the Speaker of the House, Representative Wood, whose sympathetic understanding of our problem made possible the withdrawal of H.B. 1118. And among the list of those who represented the Society at the committee hearing in Springfield, we failed to list Ben Davidson.

To all we express our grateful appreciation for a job well done and our apologies for the oversight. To every Representative who gave us aid, a sincere "Thank you."

# NEWS OF THE BRANCHES

## ENGLEWOOD

Feelin' kinda sorrowful for m'self today. Not only ain't I got what Lola wants, but I ain't even got what Lola's grandma threw away. It all started with a safari to the Museum of Science and Industry in tow of Joe an' his buddy, Dave. Didja ever squire a brace of eight-year-olds through a place like that? After eight and a half hours on the hoof I was ready for a transfusion. Stood in line an hour to go through the U-505, and a half hour for the coal mine. In between the hot dogs, Cokes, ice cream, etc., all I had to do was keep three cameras loaded and pass judgment on exposure, composition, filter factors, depth of focus, etc. AND etc. Actually it was the last "etc." that did it. . . . READ THE EDITORIAL! Like my new boy's work? Good man I got on the job. . . . William Vespasian Hillemeier brought honor to his branch by appearing on the TV Dental Clinic program of July 8th, at which time he presented a patient and "before" and "after" models of the jacket crown work he had done for her. Bill also showed some porcelain bridgework; and his son, Bruce, age 11, was presented to show spacing between the centrals which the good Doctor assured the TV mamas would close up by the time Bruce was fourteen. Swish, all in one sentence (if Miss Harvey knows where to put the semi-colon). . . . Ray Van Darn and Chuck Sinard are safely down to earth after their trips to Colorado Springs. . . . Bob Hattendorf left July 15th for a week at Mackinac, Buffalo, and Detroit. . . . Brother Durwood tended bar while Bob was away, and then he took off for The Dells, Wisc. . . . Tom Starshak left during the third week of July for a well-earned rest. Called to find out for you where and when he was going, but got no answer. . . . Pete Christensen was all set for his two weeks of loafing. . . . Ernie

Borgerding has returned from the Land o' Lakes where he fished the place out during his two weeks' effort. . . . Ken Sharpe knocked off one week and spent it catching up on his golfing. . . . Got a swell note from Grandpa Brooks who reported that Lewis Weil had been to New York State for ten days. Left his wife there when he returned. (Lucky Pierre!—P.T.) Nope, the note goes on to say that Mrs. W. will be home later in the summer. Alzo, Mal admonishes all of us on committees (groups of men who keep minutes and waste hours—P.T.) to give our jobs the very best we have, to advance our profession and our own personal training for bigger things. To which we say *Amen*. Some day I must try it. . . . I am so sincerely sorry to have to tell you that John Lace has again been hospitalized and has undergone surgery on his eye for a second time. His condition had not been completely satisfactory, but now he has been assured that all will be well. You may call on John or send your notes to the Presbyterian Hospital. . . . Hey! Now that Karl Richardson has issued my Poetic License for 1955-56, leave us try it out—like so:

### — POME —

There wuz a young fella named Sidney  
Who drank 'till he rooint his kidney  
It shriveled and shrank

As he sat there and drank  
But he *did* have fun doin' it, did'ne?  
Hmmm. Karl, let's try the next size  
larger? . . . Lou Sasso has been home  
for a few days getting rid of a nasty cold.  
I TOLD ya to put the top up, Lou! . . .  
No word from the Scanlans. Kids must  
be having a good time. . . . However,  
received a card from the Waldens, who  
send greetings to all from London, Can-  
ada. Vacation is moving along too fast  
for them and, believe this or not, they  
spent one evening reading the *FORT-  
NIGHTLY REVIEW* which they had care-  
fully packed in with their vacation play-

time togs, etc. . . . Hotsopple Lucas is still out on a limb. The finance company wants what he's got—his office space. The same outfit wants what *I've* got, but *unfortunately*, it ain't my *space*. Any of you girls know of a good spot for Luke? An *office*, that is. . . . My li'l Joe ticked off another birthday on July 27th. His ma and pa presented him with an English racer bike. Ever see a kid ride with an accent? Man alive! was that *thirty years* ago that *I* was tearing around on my ol' "Kramer Special" track racer? . . . Leave us face it—I ain't got no news! Therefore, I shall tell you a story, an' it goes like this: An equeftrian officer from King Arthur'f Round Table, whose fature waf so flight that he rode an Irifh fetter inftead of a horfe, waf ftranded at funfet in a Worcefterfhire foreft during a fevere thunderftorm. "Can't you houfe uf for the prefent?" he afked at a forefter'f homeftead. "I'm a meffenger from hif majesty'f caftle." "Of courfe," faid the woodfman, fizing up the canine fteed in the darkneff. "I wouldn't refufe fhelter to a knight on a dog like thif." And so kiddies, off to beddy-bye. — *The Pied Typer of Ramblin', Branch Despondent, Local 602.*

#### NORTHWEST SIDE

On July 12 the officers, directors and committee heads met at President Lebow's home in their first meeting to set up the programs for next year. Why not show your appreciation of this warm weather work by attending the meetings in the cool of the fall and winter? . . . And a few notes left over from the Branch Officers' Conference—Did you know that the *FORTNIGHTLY* is received by approximately 5500 persons all over the world? And, most important, please use caution in accepting patients for the Dental Budget Plan. It is important that contracted work be completed as the refund of money in incompleated cases presents many difficult problems. . . . Mrs. Cas Rogalski is now recuperating at home from a hospital sojourn. . . .

Also on the sick list is Glenn Cartwright, now resting and testing at Augustana Hospital. From my last reports he was much improved and probably a few weeks of rest and cooler weather will find him back at the old stand. . . . Ethics chairman, Si Price, was seen putting in full time at the B'nai B'rith convention. . . . And how about hearing from more branch spies and informants—or don't we Northwest siders take vacations and buy new cars?—*Lee Schwartz, Branch Correspondent.*

#### WEST SIDE

A very interesting and informative meeting was held June 29th at the Palmer House. In attendance were Branch presidents, secretaries, correspondents, and officers of the Chicago Dental Society. Dr. Harold Hillenbrand, Secretary of the American Dental Association, was the guest speaker. . . . There were many favorable comments on the column Irv Shaewitz, our Branch Secretary, wrote for the July 1st issue. Keep up the good work, Irv. . . . George Walls had a terrific time attending the Shriner's convention here in Chicago. . . . Earl Boulger is spending the summer at Boulger's Point, Canada. . . . Attention, West Side members: Here are your chairmen of all committees—Dinner, Bill Zipprich; Pre-Dinner, Leo Cahill; Ethics, Irv Shaewitz; Veterans, George Barnes; Reception, Fred Bazola; Health and Legislation, Sam Rakow; Sports, Al Sells; Election, Bob Bailey; Entertainment, Mike Oppenheim; General Arrangements, Cliff Mergener; Visitation, Irvin Miller; Constitution, Adolph Stark; Relief, Bill Whittaker; Economics, Nate Addis; Attendance, Walter Kelly; Program, Max Chubin; Dental Health, Mike Arra; Clinic Day, Mike DeRose; Credentials, Frank Kropik; Law and Legislative Enforcement, George Blaha; Public and Professional Relations, Sam Kleiman; Membership, Harry Weinfeld. —*Victor Ganz, Branch Correspondent.*

## YOUR BOARD OF DIRECTORS

*(Continued from page 8)*

part in more formal and informal discussion than any other committee or subcommittee in the Society. Robert Kreiner is currently Chairman of the Prosthetic Service Committee and its other non-board member is Lloyd Bettenhausen. Director members are Wayne Fisher, Ben Davidson and Neil Kingston.

The Midwinter Meeting Affairs Committee is headed annually by the President-elect so this year Edward Luebke has this responsibility aided by L. W. M. Hughes, Harold Hayes, Walter Dundon and G. W. Solfronk, all officers of the Society. This committee manages the Midwinter Meeting in a supervisory capacity reviewing the plans and procedures of all of the various Midwinter Meeting committees as reported to it by the General Chairman.

The Committee on Committees handles the recommendations and affairs of the various Society committees whenever their operation comes within the active purview of the Board. In many instances the actions of a committee or its recommendations can only be realized through Board action. An example, and a very important operation, of this type of thing is the activity of the Relief Committee. The willingness of the Society to grant relief money to worthy recipients thereof is exceeded in earnestness only by its unrelenting vigilance to be certain that no unworthy person is granted relief. The most detailed scrutiny is accorded every relief application or renewal for relief. Walter Kelly is the Chairman of the Committee on Committees and its members are Ben Davidson and Clarence Hanson.

The Insurance Committee is another committee with ex-Board-member mem-

bers. A. J. Sells who headed the committee last year was held over for a repeat engagement on the basis of his great interest and excellent job in 1954-55. Other members of the committee are William Vopata (the other ex-director), Walter Kelly and Olan Kibler. This committee reviews all the insurance affairs of the Society, considers suggested changes in our policies and coverages and makes detailed surveys of new insurance features from which our membership might benefit. An example of their work is the recently presented Catastrophe Hospital and Nurse Coverage available through our insurers' brokers, Huntington and Homer. This is absolutely the last word in good insurance coverage and members of this Society should be proud that their Insurance Committee studied the available plans for over a year and then went ahead and selected one that comprised the best features of all the plans there are.

The foregoing is a resumé, a little-finger-nail vignette of what your Board of Directors is and does. A book wouldn't begin to cover the details these men study. In fact, the minutes which are a bare factual outline of motions considered for one year fill a large three-ring notebook to bursting. The officers of the Society form an executive committee in carrying out the Board's orders and together with the elected directors constitute a thirteen-man governing body that manages the Society for all of us. The sacrifice in time, money and effort made through three years is incalculable and often, too often, the slings and arrows of outrageous criticism received far outweigh the expressions of appreciation. They make a great and good contribution to the advancement of organized dentistry and they deserve our praise and our thanks.

## NEWS OF THE BRANCHES

(Continued from page 12)

### NORTH SUBURBAN

Reading Russ Ephland's virgin journalistic entry and this being mine reminded me of some seven years ago when Russ and I were expectant dads together. . . . Russ has out-performed me in the latter field as he will no doubt in the former. . . . After an all-day meeting with the brass of the Chicago Dental Society at the Palmer House on June 29 (Thanks for the swell luncheon, fellas!), it seemed that the best advice to columnists was to dig, dig, dig. All I get is dry holes. Bill Murray could comment on that no doubt. . . . Why are dentists so evasive about vacations? . . . T. S. (Toggle Switch) Johnston gave out the information that illness in the family made necessary a trip to Kansas City—it seems his mother-in-law's cat was sick. . . . While on the subject of Sherm—seems he could have used an ark in the office over the week-end or at least a

plasterer; a forgotten water-cooled air-conditioner. . . . Recommended reading, Branch Secretary Eddie Sullivan's article in the July A.D.A. Journal. . . . George Postels is bustin' his buttons these days over batching it alone. Ruth made a trip to Urbana to attend a brand new granddaughter. . . . Leo Janks came off with top golf honors at the Lake County Dental Society Golf outing and Ladies' night at Thorngate Country Club, June 8. Milt Silver arranged the swell affair and provided prizes enough so that no one went home empty handed. It was also the occasion for seating the officers for the coming year. George Kearns is at the helm with an assist by George Krueger. Hal Schelhas will pay the bills and keep the constituents posted. Congratulations, fellas! . . . George and Mrs. Kearns, and daughter will spend four days at the Wagon Wheel and then to Toledo. . . . Larry Hill will be checking up on the grandchildren about Aug 1. in Denver. . . . Thus endeth the reading. . . . You Lake County men keep the news coming in by burro-back or what

#### NORTH SIDE

On the 22nd of June, the CDS called an historic meeting of all the branch presidents, secretaries and correspondents together with the officers of the CDS. This meeting was called for the purpose of arriving at policy for the Society. Many gripes were gotten off chest and the air was cleared for complete harmony in our Society. Representing the NS, were Herb Gustavson, our President, Frank Hanagan, our Secretary, and yours truly as correspondent—where he met his contemporaries and was duly initiated. . . . Jack Langer came back from Kansas City (of all places in the summer time), where he visited with relatives, played golf and sat in the pool, alternately. He was sunburned when he left—you ought to see him now. . . . Jack Ginsberg is out of the hospital with a clean bill of health after a 10-day sojourn. . . . Ed. Luebke, our President-Elect, is away for the whole summer, as usual, and will be back in September when he will again dig in to complete his big job for the Midwinter Meeting. . . . We are happy to announce that Mrs. Bill Semiloff is better and also that Al Drew is recuperating nicely after his surgery. . . . Frank Hurlstone and Earl Elman report that the House Ways and Means Committee voted out the

Social Security Bill favorably, which included OASI for dentists and lawyers, without physicians. . . . Jack Lippert, Dan Beshoar and Frank Hurlstone just got back from Colorado Springs Foundation, where they heard Orban and Downs on "Hinge Axis." 17 states were represented with about 70 dentists present. . . . The Uptown Forum Golf Outing was very successful, with about 80 for golf and dinner. Kadens and Sudakoff won trophies for Low Gross. All the ladies received a gift of the book, *Places to Go*, which I understand is an encyclopedia on all places of interest in and around Chicago, and each man got a desk pad and pencil set. There was an excellent floor show and a gala time was had by all. The NS was officially represented by our President, Herb Gustavson. . . . V. A. Carmichael was up North, fishing. . . . Harold Galvin is on vacation and Earl Hullison is back from Virginia. . . . John Lavieri left on the 16th, and Russell Boothe and his family left on the 30th for Clear Lake, Canada, for 2 or 3 weeks, where they have been going every summer for years. . . . The Chicago Academy of Dental Research, in which a number of our NS boys are active, recently had a premiere showing of Martin Entine's film, "Occlusal Rehabilitation for the General Practitioner." This film runs 123 minutes and is rated by those who have seen it as a "Super-Colossal Spectacle." The color, scope and subject matter were excellent. We will all probably be seeing it soon. Herb Goldt and Sandy Schaffner have been accepted

as members of the group. Correction: Marve Waller, the newly-wed, is the newly-elected secretary—not Red Berk. . . . Tom McAuliffe reports a fine rest last week in his back yard. (Much easier than roughing it and fishing.) . . . Alan Gerber entertained our Clinic Day Chairman, Art Duxler, a couple of Saturdays ago. Art just got through with his TV debut as I write this, and I agree with him that it is fun. More of us ought to volunteer to be guests on Mort Neimark's Dental Clinic TV Show. I understand the FORTNIGHTLY will carry a listing of our men for future programs, so that we can alert our patients to view our Public Relations programs. . . . Our committees are all beginning to function: Ted Dubrow on the Insurance Committee is asking our members to contact him at his office, regarding questions and suggestions on an adequate Hospital Insurance Plan; Herman Medak, our Chairman of Civilian Defense, is asking for volunteers for his committee, please contact him at LO. 1-2237 immediately so that he can call his first meeting of the committee. He will be away from Chicago, August 14th to the 28th, as a reservist in the Army Dental Research Group at the Walter Reed Army Medical Center in Washington, D.C.; Art Duxler, our Clinic Day Chairman, reports that due to the very successful Clinic Day we had last year, he is anticipating an even better and greater Clinic Day this year. Many laboratories and dental dealers have expressed their enthusiasm. They all report very good results and are anxious to

participate again this year. Art will announce his various sub-chairmen in our next column. . . . Rube Kadens was on TV the day after Art Duxler, with a good talk and slides on immediate dentures, showing why only a dentist can do a real job instead of the illegal lab guys. Rube visited his daughter, the camp counsellor, at Camp in Decatur, Michigan, and was surprised to find Earl Elman's and Paul Brown's youngsters there also. . . . Bill Osmanski is glad to have his hygienist back from her vacation, and she reports a swell time and glad also to be back at work. He enjoyed his game of golf with Bob Oppice at the CDS Golf Day. . . . Morry Altus got a card from a former NS member, Ralph Wishneff, from Honolulu. . . . Irving Sectar, the newly-elected President of the Hypnodontia Group, and all the rest of the officers will be installed at their first meeting in the fall, specifically, September 9th. It will be Ladies' Nite, and all are welcome. An excellent program is planned and we will have more details in our next column. Sectar was the dental speaker on a prominent panel of hypnosis experts such as Erickson, Herron, Kroger and Hirschman. He will start his next course right after the summer. He is scheduled to talk in November to the Bloomington, Ill. dental group at their first meeting. All N.S. Hypnodontia members, be alert for the September 9th affair. . . . George Meyer ought to be back soon from a vacation on his 5 farms at Yankton, South Dakota, where he spent most of his time harvesting a

lot of corn. Just before George left, he told this writer he was particularly happy about a phone call he received from his lawyer out there, telling him that all the surrounding farms were hailed out in the recent storms, but miraculously missed his farms. After some 40 years of dental practice, George still enjoys working hard at dentistry. As a member of the Chisler's Club in the Pittsfield Bldg., he promises to be my reporter for items of interest about their general dental confabs. Can use more reporters. . . . Talking about hobbies—did you know that Paul Edmand is a horse fancier and has two show horses? He exhibited his horses at the South Shore Country Club last month and is presently showing down at Lexington, Ky. . . . Whoops! Another correction on the last column: Ed. Walker and Herb Krummell are on the Professional and Public Relations Committee, not Publicity and Printing. . . . Bob Riemer reports that congratulations are in order for John LaDue on his recent marriage on June 18th, to his new wife who hails from Oklahoma. . . . Frank Hanagan reports that Bob Mugalian has gone to the Lake-of-the-Woods in Canada for fishing and that L. T. Black is back from a two-week fishing trip in Canada. . . . My reporters are really beginning to click. Any more reporters?—*I. H. Shapiro, Branch Correspondent.*

### WEST SUBURBAN

On July 5th, one of our faithful, hard workers, a real professional lady and fine orthodontist, Beulah Nelson, passed away. She had been ill since the last Midwinter Meeting. We will all miss her, for she had a way of being happy and helpful. . . . The Berwyn reporters find that Leonard Shimandle became the immediate Past-President of the Lion's Club. . . . Joe Van Cura has resumed his practice at 6725 Stanley Ave. after serving in Uncle Sam's Army. He spent much of his time in the U.S. Army Hospital at Fort Knox and was retired

as a Major. The news does not mention if he was able to bring any samples of the thing the Fort is famous for. . . . Marshall Milnarik and family spent a few weeks becoming acquainted while fishing at Spooner, Wis. . . . while Charley Mikolas and Jim Hofrichter hit the big ones in Canada. . . . Werner Gresens, the new President of the C.C.D.S. Loyola Dental Alumni, is working with Golf Chairman Ed Kritzke and Frank Madden, ticket Chairman, to make the Golf Outing on Wednesday, September 14th, the BIGGEST and BEST EVER. Glendale Golf Club at Bloomingdale, as usual, only more and better prizes are promised. They are looking for 200 golfers and promise the best day for the affair. Plan to come and bring your friends. . . . The officers of the West Suburban Round Table are working through the summer for the fall opening, with Al Macaluso as the new Program Chairman. He has the first meeting lined up. How about calling him with your suggestions of what you would like to hear and see? . . . No dog days for the Branch Dinner Chairman and his workers, either. The tickets for the season at the Riverside Country Club are out. Price for the five dates is \$18.00. B. R. Jones and the boys will be calling on you now. . . . R. W. Scott and son had a grand time together in Canada away from telephones but had the big ones on the line all of the time. . . . Larry Mulineux packed his car for his vacation, stepped on a stone in going back to the house for another look, drove to Milwaukee and took the boat to Ludington and then found that he had a broken ankle, so had to come home. Moral: Don't go back for the last look. Leave the doors and windows open, for the neighbors will find it out anyway and close them. . . . Bob Cutlan's son had a sad experience with a dog, with a bad bite in the mouth and many stitches. It was a real scare. . . . Many of our members are planning on attending the N.W. Seminar this year. It sounds like a real outing plus education. . . . The honeymoon's really over when he phones

#### **KENWOOD-HYDE PARK**

This may come as a shock to Cary Middlecoff, but Willard Johnson has taken up the game of golf again after a few years of retirement. Cary will probably return to his dental practice in Tennessee. The thing is, what is going to benefit, dentistry or golf??? . . . Henry Leib packed up his golf clubs, fishing equipment and outboard motor and took off for a week at Michiana. Have a good time, Henry. . . . Gramp Libberton, Larry and his brother Willard Johnson, were seen having lunch together at the Swedish Club. Bet there is something in the air??? . . . Wayne Fisher has a temporary assistant by the name of Mrs. Fisher; bet she is a good one too. . . . Most of you will remember Dr. Raymond Prettyman as a very active and fervent member of Kenwood-Hyde Park. He was well loved by all who knew him. His enthusiasm for dentistry was overwhelming, he was a Past-President of Kenwood, a Director of the Chicago Dental Society, he also served as Chairman of the Exhibit and Registration Committee for the Midwinter Meeting. Dr. Prettyman passed away on July 14 in Clearwater,

Florida. The members of Kenwood-Hyde Park wish to express their deepest sympathy to his family. . . . Bill De Larye has been living in McHenry during the summer enjoying life and watching his little daughter grow. . . . Ben Herzberg is off to Wisconsin to visit his daughter. . . . Werner Greenebaum has a real trip cut out for himself. He plans to spend two weeks touring through Vermont and Connecticut. . . . Dave Torch had a little surgery performed on him at Michael Reese hospital a few weeks ago. He is at home resting and recuperating. Get well quick, Dave. . . . Harold Stackler is passing out cigars, he is the proud father of a baby girl, born on July 12. Congratulations, Harold. . . . Larry Johnson, Eddie Franklin, Greg Strobel and their families are going to spend a week on Michigan's Upper Peninsula. . . . Bob Appleman is leaving for the North Woods during the month of August to just loaf and sip a Scotch and Soda once in a while. . . . Roy Eberle is going to spend the month of August in the Canadian Rockies. He will visit his sister in Calgary. Roy says you can throw a line into the Bold River from his sister's porch and reel in the biggest trout you ever saw. Have fun. . . . Those of you who have attended one of Loyola's golf outings know what a bang-up affair it really is. Why not make sure you will be there this year and mark it in your appointment book now—Glendale Country Club, September 14. —*Howard J. Harvey, Branch Correspondent.*
